MOUNTAIN VIEW

Situated on the main line of the Southern Pacific, 12 miles northwest of San Jose, the county seat, and 36 miles south of San Francisco. The population is 4,000, of which 1,100 are employed in the twenty industrial plants of the city. Prunes and apricots are profitable crops, and a large portion of the yield is canned and preserved in canneries located here. The Mountain View Chamber of Commerce will gladly furnish additional information.
